EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

On page 8 of the specification, fill in 10/764,592 and 10/764,045 respectively for the first and second blank spaces after "U.S. Patent Application Serial No.".

2. The following is an examiner's statement of reasons for allowance:

None of the prior art discloses the claimed hot-pluggable adapter to be used with a network tap module and a housing for receiving hot-pluggable network tap modules.

Claims 1-5 recite inter alia a hot-pluggable adapter to be used with a network tap module comprising an adapter block having a first power connector configured to connect to a power jack of a network tap module; and a second power connector configured to connect to a power supply connector of a housing for a plurality of network tap modules.

Claims 6-8 recite inter alia a housing for receiving hot-pluggable network tap modules comprising a chassis for receiving a plurality of network tap modules; a first network tap module received in the chassis and being connected directly to a corresponding power supply connector of the housing; a second network tap module received in the chassis, wherein the second network tap module being connected to a
